

## Read 1 Peter 2:2-3 & Psalm 34

**Main Idea:** Peter challenges us to be as passionate for God and His word, as we have for so many worldly things throughout our lives.

### Key Questions:

- What is one idea from the message that really stood out to you? Why did it grab your attention?
- Can you share a number of things throughout your life that you have been passionate about, but have ultimately not fulfilled you like you thought they would?
- Can you share a few things you have made a greater priority in your life and/or in your family the last 6 months than God and His word? Perhaps it's work, convenience, family, etc.
- At times, we all have a tendency to prioritize and pursue things to a greater degree than we do God. Why do you think that is?
- Please describe what you think it would look like to place your relationship with God as the top priority in your life and pursue Him with passion? Keep in mind the lengths you have gone to in order to prioritize and pursue other things in this world.

### Next Steps:

- What is one thing you will do this week as a result of something you learned from this message and group?
- How can we pray for each other?
- Who can we invite to be part of service next week?
